What  
is it?

Ookubo!  
Hey, Ookubo!

To have  
sex with a man you  
aren't even dating

Usami

Usami

Old-  
fashioned  
has nothing  
to do  
with it

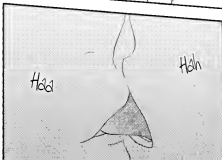

I don't  
see a problem  
with it

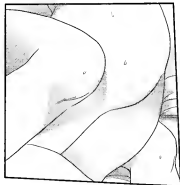

You're just  
old-fashioned,  
Misaki

You're into  
it today

I'd like to be  
on top, too,  
sometimes

What?

You  
know,  
I

I think  
I might  
love

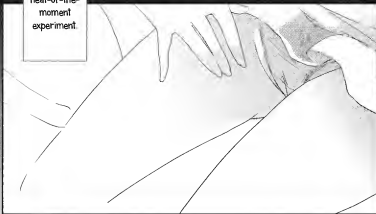

...Just a  
heat-of-the-  
moment  
experiment.

A  
ha  
ha

Shuuure,  
let's do  
it!

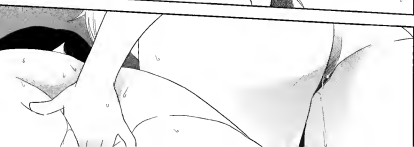

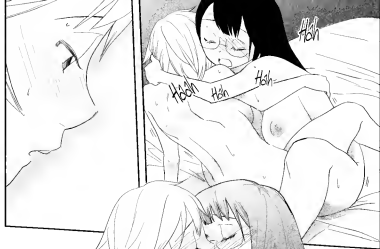

just 'cause  
I once heard  
it feels way  
better than  
with a man.

At least.. that  
was all it was  
supposed to  
be. but..

Ookubo, you  
were amazing  
today
